Dear Secretaries,

The district level DISHA Committees (Development Coordination and Monitoring Committee) constituted by this Department under the chairmanship of Hon'ble Members of Parliament are monitoring the implementation of Central Government programmes/schemes in accordance with the prescribed procedures, guidelines and thereby promoting synergy and convergence of different schemes. As per the guidelines, the meetings of the DISHA Committees are to be held at least once in every quarter.

2. At present, DISHA monitors 47 schemes implemented by different Ministries/Departments (**list enclosed**). The Key Performance Indicators (KPIs) of these schemes, as defined by the respective Ministries/Departments, are aggregated in a technical platform called DISHA Dashboard which is used by both districts officers as well as the Hon'ble MPs as a single source of information for monitoring schemes during DISHA meetings. The KPIs on various schemes are presented at various level of granularity (Gram Panchayats, Blocks, Districts) depending upon the availability of the schemes' data. The primary requirement for integration of a scheme with DISHA Dashboard is that the scheme should have an MIS for sharing of data through API to DISHA Dashboard.

3. As part of celebration of 75th year of India's Independence, we aspire to integrate a total of 75 Schemes with DISHA and its Dashboard. I would, therefore, request you to consider integrating schemes of your Ministry/Department that are yet to be integrated with the DISHA Dashboard and communicate the same to us. You may also nominate a nodal officer from your Ministry/Department for further correspondence in the matter.

With warm regards,

Yours sincerely,

[Nagendra Nath Sinha]
